

Early Bird Program

The Early Bird program is available to students in Toddler, Early Learners, and Preschool, Pre-K and TK classes. This program allows families to drop off their student beginning at 7:30 AM each morning. The cost of Early Bird is \$45/month and is a school year long commitment. Students may not withdraw from the Early Bird program unless their Day School enrollment is terminated. Early Bird spaces are limited and dictated by required state ratios based on the age of the child. If all Early Birds spaces are filled, a wait list will be kept of interested families.

Students who are not enrolled in Early Bird will be accepted at 8:00 AM each morning.

If you're interested in enrolling your student in Early Bird, please complete the registration below.

Early Bird Registration

Please enroll _____ in the Early Bird class for the duration of the 2026-2027 school year. I understand that by registering for this program I am responsible for the Early Bird fee of \$45/month beginning in August 2026. My final Early Bird payment will be in May 2027. If my account becomes delinquent, Early Bird drop off will no longer be available until the account is brought current and only if space allows.
